Party People

Meet The Goodtime Hotel, the brainchild of Grammy Award-winning artist Pharrell Williams and hospitality maven David Grutman. The Ken Fulk-designed, 266-room property offers exactly what the name suggests. Art Deco nuances and cheeky, colorful designs abound throughout the lobby, suites and cabana-clad rooftop pool, Strawberry Moon, creating a hangout that has enough nostalgia and contemporary splash to appeal to past, present and future sunseekers. thegoodtimehotel.com
